ADRIATIC BUSINESS CONSULTING is a company that offers global consulting services, with particular emphasis on the Adriatic region. With our headquarters in Lugano, Switzerland we are able to offer wide range of business consulting services, especially for small and medium-sized companies. Our strength is a deep knowledge of business, political and cultural environment in the Adriatic region, but also long experience in cross-border projects, financing and business development. Our consultants have many years of proven education and professional experience. Our mission is to support EU and Swiss investors in the Adriatic area and companies from the Adriatic region in approaching EU and Swiss markets, acting as a coordinator and supervisor of legal, fiscal, operational and commercial activities.
